REDD+ Academy/Bhutan Module 7 (Policies and Measures) Group Exercise – Instructions

Return to the driver/barrier that your group considered in the exercise for Module 3.

Now, thinking about Bhutan and decisions about scope and scale that you considered in the exercise for Module 6, design appropriate PAMs to address your driver/barrier, and complete the Table below.

Take about 60 minutes for this.

DRIVER or BARRIER (e.g., ove	erharvesting of timber)	
------------------------------	-------------------------	--

Note: The first 2 columns are taken from the Module 3 exercise

AGENTS (or, for BARRIERS, RESPONSIBLE PARTIES) (WHO IS INVOLVED?)	INDIRECT DRIVER/BARRIER	POSSIBLE PAMs	RESPONSIBLE PARTY FOR IMPLEMENTATION	TECHNICAL/FINANCIAL/ POLITICAL FEASIBILITY
e.g. Villagers	e.g. Lack of alternative building materials	• •
