

Papua New Guinea

UN-REDD National Joint Programme
Policy Board Meeting
Panama, 9-10 March

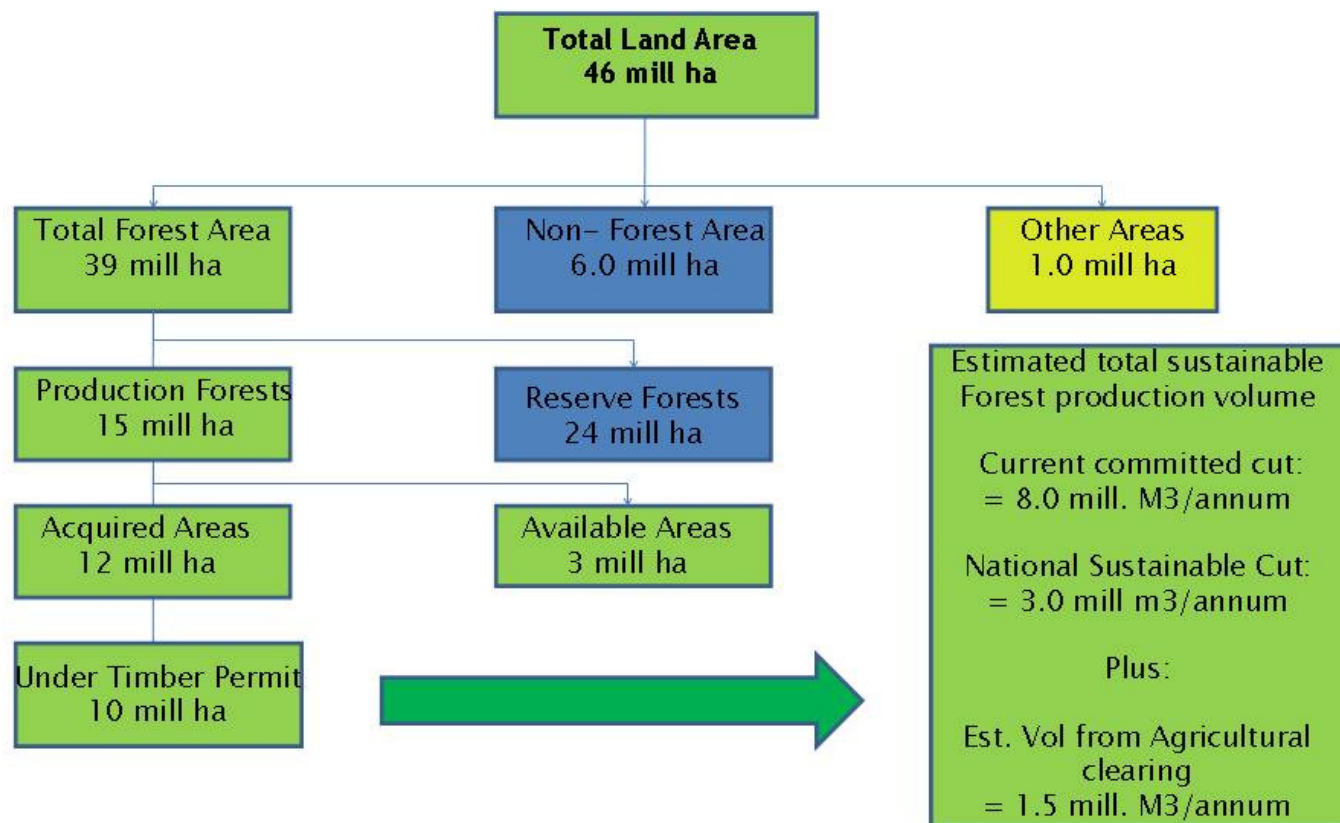

PNG Forest Area

Ecoregions of New Guinea

PNG Forest Area

PNG FOREST RESOURCE BASE

Adopted from PNG Forest Authority 1996

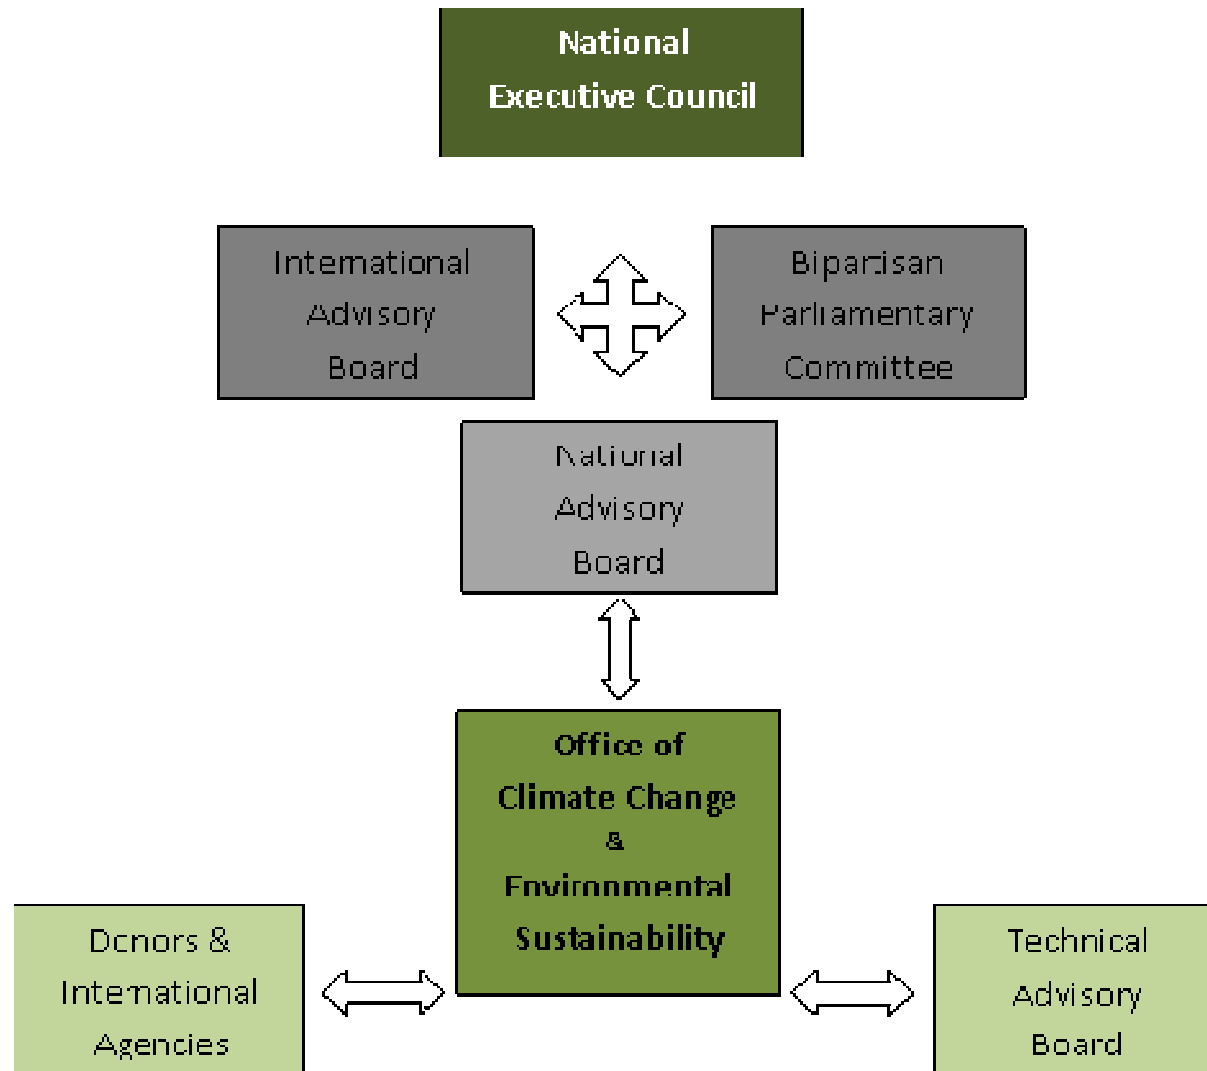

NJP Formulation Background

- **Cabinet Decisions:** Papua New Guinea's NJP was designed based on the Government of Papua New Guinea's National Executive Council Decisions (GoPNG NEC.) Latest on February 11th 2009.
- **OCCES Role:** NEC decision outlines the mandates of Office of Climate Change and Environment Sustainability (OCCES) to coordinate all Climate Change including REDD work in PNG.
- **Approval:** OCCES submits to a *National Climate Change Advisory Board*, including stakeholders from public, private and civil society, to review and recommend NJP and REDD-Plan.
- **UNDP:** GoPNG agreed UNDP will lead support for REDD Plan as element of National Climate Change Plan (31 Oct 09).

PNG Institutional Structure

NJP Formulation - continued

- **Joint Mission:** GoPNG led a joint REDD mission: UN (FAO, UNDP, UNEP), World Bank, Norway, Australia and NGO's.
- **REDD Plan Roadmap:** Outcome of mission is the PNG REDD Roadmap which forms the basis for OCCES National Programme.
- **Stakeholder Consultations:** Met in Port Moresby with stakeholders from public and private sectors, civil society.
- **Development Partners:** Consultations with Australia, EU, ADB, WB, Japan, US Embassy, British High Commission and UN).
- **Coordination:** Coordination with the FCPF (R-PIN accepted), PNG Australia Forest Carbon Partnership and other initiatives.

One-Government Approach

NJP Results Framework

Objective: Support GoPNG's OCCES institutional capacity to coordinate the implementation of the National REDD Readiness Activities .

Outcomes:

1. Readiness Management Arrangements;
2. Arrangements for Establishing a Reference Emission Level (REL);
3. Framework for Forest Carbon Monitoring and Reporting;
4. REDD Costs and Fiscal Transfer Options;
5. Stakeholders Engagement in PNG's REDD Readiness Process.

Status of NJP: PNG's NJP proposal for an “initial “ assistance for the Readiness Activities scheduled to begin on 1 May 2009 – 30 April 2010.

NJP Budget Allocation (\$m)

Outcome	FAO	UNDP	UNEP	Total
1. Readiness Management Arrangements in Place		0.525		0.525
2. Arrangements for Establishing a REL	0.45			0.45
3. Framework for Forest Carbon Monitoring and Reporting Developed	0.5			0.5
4. REDD Costs and Fiscal Transfer Options Assessed		0.6		0.6
5. Stakeholders Engaged in REDD Readiness Process		0.34		0.34
Sub-Total	0.95	1.465		2.415
Indirect Costs (7%)	0.066	0.102	–	0.169
Total	1.016	1.568		2.585
