*Dear Pok Heru,
Salam dari Geneva and hope this finds you well.*

With reference to your letter received on 20 February 2014, describing Indonesia's planned continuous work on Participatory Governance Assessment (PGA) for REDD+, I am pleased to inform you that the UN-REDD Programme has approved an additional amount to Indonesia under the targeted support modality.

The UN-REDD Programme, through the United Nations Development Programme (UNDP) and the Food and Agriculture Organization of the United Nations (FAO), is making US\$ 344,600 available to support the PGA and anti-corruption work, including refinements of the PGA methodology, delivery of the 2014 PGA Index report, training for data collectors and data validation, support to PGA adoption and implementation and an evaluation of the forest permit system, as stipulated in the budget and work plans.

For further information and any assistance you may need, please contact the UNDP and FAO focal points for targeted support, Mr. Tim Clairs (tim.clairs@undp.org) and Maria Sanz Sanchez (Maria.SanzSanchez@fao.org) or Mr. Abdul Wahib Situmorang (abdul.situmorang@undp.org), Project Manager for PGA, Governance and Poverty Reduction Unit-UNDP Indonesia.

We are looking forward to continued collaboration with Indonesia in the country's REDD+ efforts.

Sincerely,

Mario Boccucci
