Technical Advice in the UN-REDD Programme

Tiina Vahanen, UN-REDD Programme Secretariat

Background

- 1st Policy Board expressed need for technical advice function in the UN-REDD Programme
- It requested Secretariat to come up with a proposal
- Need for technical expertise **to review certain substantive outputs of the UN-REDD programme, such as guidance and technical review papers**
- Discussions with FCPF FMT and UNFCCC

Proposal

1. Use experts from the existing Rosters of Experts and networks to review UN-REDD guidelines and technical papers, upon request and as needed
 - Rosters of Experts of UNFCCC and FCPF
 - Civil Society Advisory Group, Indigenous Peoples' organizations and other networks
2. Secretariat to work together with the FCPF FMT to develop and use a joint Roster of Experts
 - To service both FCPF and UN-REDD Programme needs
