- # INDONESIA:
- # UN-REDD PROGRESS

- ## Montreaux, Switzerland
  - ### 15 June 2009

PRPOSAL

- **Objective**
  - Support Indonesia Readiness

- **Outcomes**
  1. Strengthened multi-stakeholder participation and consensus at national level
  2. Support Successful demonstration of establishing a REL, MRV and fair payment systems based on the national REDD strategy.
  3. Support Capacity established to implement REDD at decentralized levels

- **Outcome 1**

1. Consensus on key issues for national REDD policy development (UNDP)

2. REDD lessons learned (UNDP)

3. Communications Program (UNEP)

- **Outcome 2**

1. Improved capacity and methodology design for forest carbon inventory within (MRV), including sub-national pilot implementation (FAO)

2. Support Reference emissions level /REL (FAO)

3. Harmonized fair and equitable payment mechanism at provincial level (UNDP)

4. Toolkit for priority setting towards maximizing potential Carbon-benefits and incorporating co-benefits, such as biodiversity conservation and poverty alleviation under MDG (UNEP)

Outcome 3:

1. Capacity for spatial socio-economic planning incorporating REDD at the district level (UNDP)

2. Empowered local stakeholders are able to benefit from REDD (UNDP)

3. Multi-stakeholder-endorsed District plans for REDD implementation (UNDP)

Indonesia
NJP Budget Allocation ($m)

Outcome	FAO	UNDP	UNEP	Total
1. *Insert Outcome summary*		0.900	0.700	1.600
2. *Insert Outcome summary*	1,400	0.400	0.375	2,175
3. *Insert Outcome summary*		1,500		1,500
Indirect Costs (7%)	0.098.	0.196	0.075.	0.369
Total	1.498	2.996	1.150	5.644
- **Panama Meeting**
- **(Approved with a note)**

- **Recommended additional stakeholder consultation before the NJP is signed and funds are released.**

Response

- **consultation** with IPs, NGOs, others
- **Synergizing :**
  National strategy
  2nd UN-REDD Mission to Indonesia

- **revised NJP based on inputs from consultation**

INDONESIA : REDD relevance

1. Country land area : app. 187 millions ha, population : app. 225 millions
2. 7 major islands and 33 provinces, autonomous governance system
3. ±70 % of the country area are forest land/state forest (± 35 % of them are degraded at various levels, forest lost 1995-2000 + 2.6 m ha/y; 2000-2005 ± 1.18 million ha/year)
4. Forest transition from the east (Papua : low historical DD) to the west (Sumatera : high historical DD, Java : forest cover increases)

REDD

- **REDD**
  - Issue of: climate change, Sustainable forest management, biodiversity, governance, poverty alleviation and development.
  - approach : national with sub-national implementation
- **Drivers DD**
  - tackle through "on forest activities" and "Non forest activities",
- **Challenges :**
  - finance, technical/methodological, capacity

PROGRESS

- National Climate Change Council
- Forestry Climate Change Working Group
- Demonstration Project
- Regulation on REDD implementation
- National REDD Strategy

National REDD Strategy

NATIONAL LEVEL

1. Policy interventions to tackle drivers of Deforestation and Forest Degradation
2. REDD regulations (REDD Guidelines and REDD Commissions)
3. Methodology (establishment of National REL and MRV system)
4. Institutional (National Registry, distribution of incentives/responsibilities, capacity building, stakeholders communication, coordination among REDD institutions)
5. Analytical works (REL, MRV, Co-benefits, risks, etc)

CONTINUE

PROVINCE LEVEL
1.   Methodology (establishment of Provincial REL and MRV system)
2.   Institutional (capacity building, stakeholders communication, coordination among REDD institutions)
3.   Demonstration activities

DISTRICT LEVEL
1.   Methodology (establishment of District REL and MRV system)
2.   Institutional (capacity building, stakeholders communication, coordination among REDD institutions)
3.   Demonstration activities
2ⁿᵈ UN-REDD Mission results

- Nationally owned and national leadership of implementation

- One Programme – not 3 UN Agency projects
  - One Results Framework, one work plan
  - All 3 UN Agencies will use uniform approach to interacting with national implementing partners
  - One PMU to manage the implementation of the NJP across UN Agency allocations and funding streams

program management
