

Request for Budget Revision: Cambodia

UN-REDD PROGRAMME SIXTH POLICY
BOARD MEETING

21-22 March 2011

Da Lat, Viet Nam

Background:

At the 5th Policy Board meeting on 6 November, 2010 the Board approved a funding allocation of \$3,001,350 for Cambodia's National Programme. The decision was for pooled funding on behalf of the three agencies.

The Secretariat has received a request from the Royal Government of Cambodia to revise the above budget allocations for their full National Programme. The budget revision will not change the total National Programme budget approved by the 5th Policy Board. Instead, the revision seeks to modify the budget allocations per agency.

A representative of the Royal Government of Cambodia will present the new budget allocations by agency.

Decision Sought:

The Policy Board is asked to approve the new National Programme budget allocations by agency presented by the Royal Government of Cambodia.
