

REDD+ HOUR

TITLE, TIME AND VENUE OF THE SIDE-EVENT

Environmental safeguards and REDD+
Ecosystems Pavilion: Room 211A, 1st floor, Building 2
Thursday, 21 October 2010, 6:00 - 7:15pm

OBJECTIVE

Exploring what measures should be included in National REDD+ processes to safeguard and capture Biodiversity benefits within policies and to catalyze new investments in the forest sector.

SYNOPSIS

The third session of the REDD+ Hour will present existing environmental safeguards and lessons learnt from projects and how these experiences and tools can be incorporated into national REDD strategies. The session will also present a development partner view on the importance of environmental safeguards in national REDD processes - Mike Barrett (UK), Robert Nasi (CIFOR) and Ma Hwan Ok (ITTO).
